Super simple CSS tooltip in a table, why is it not working?

... I have made an example here: <http://jsfiddle.net/WNzh>
... 's the DIV tooltip for reference: <http://jsfiddle.net/waFC>

community matters

- real users from proof of concept
- UX feedback
- collaboration (UI)
- integration (MooTools docs, Phiddle)
- hype :)

plans for the future

- user accounts
- per user settings
- private and group demos
- search
- more plugins
- download (.zip?)
- mobile support
- UI improvements
 - templates
 - skins
- split MooShell and jsFiddle codebase
